22 Joe's Dirty Tricks

Good luck, Kid Klown! Don't fall for Dirty Joe's evil tricks!

As ruler of Planet Klown, King Klown must confront the toughest political issue of his entire Klown career: His daughter insists on being anything but a traditional princess.

Then one day Professor Popquizz of the Royal Academy visited the troubled King.
"Sire, perhaps the Princess needs a little enlightenment in manners. Why not disguise her identity and enroll her at Our Lady of Perpetual Study?"

"An excellent idea!" the delighted king exclaimed. "That's exactly what we'll do!"

Of course, the Princess had her own ideas. "No way! I'm outta here! I'm ditching this crummy castle and I'm going to find an intelligent and emotionally secure boyfriend!"

Despite protests, it was a royally done deal. There was one minor problem with the proposed curriculum. Nobody knew that Professor Popquizz was a flunky—a total imposter! Beneath the diabolical disguise was none other than space pirate Dirty Joe. Using the guise of returning overdue books to the library, he kidnapped Princess Honey and held her for a pricey tuition fee: The royal title to Planet Klown!

At a complete and desperate loss, the King summoned Kid Klown. "It takes a true bungler to match witless wits with a bungling villain like Dirty Joe! I need you!"

"Roger!" replied Kid Klown. He wasn't sure if it was a compliment or an insult, but the King was king, so he simply saluted and tripped over the red carpet. It was hardly a secret that Kid Klown was a bungler. Within a few moments after starting his mission, he crashlanded his space ship on an uncharted planet. At this rate, he figured that he would never save Princess Honey, but he had to try!

Every Klown on Planet Klown is counting on you, Kid Klown!

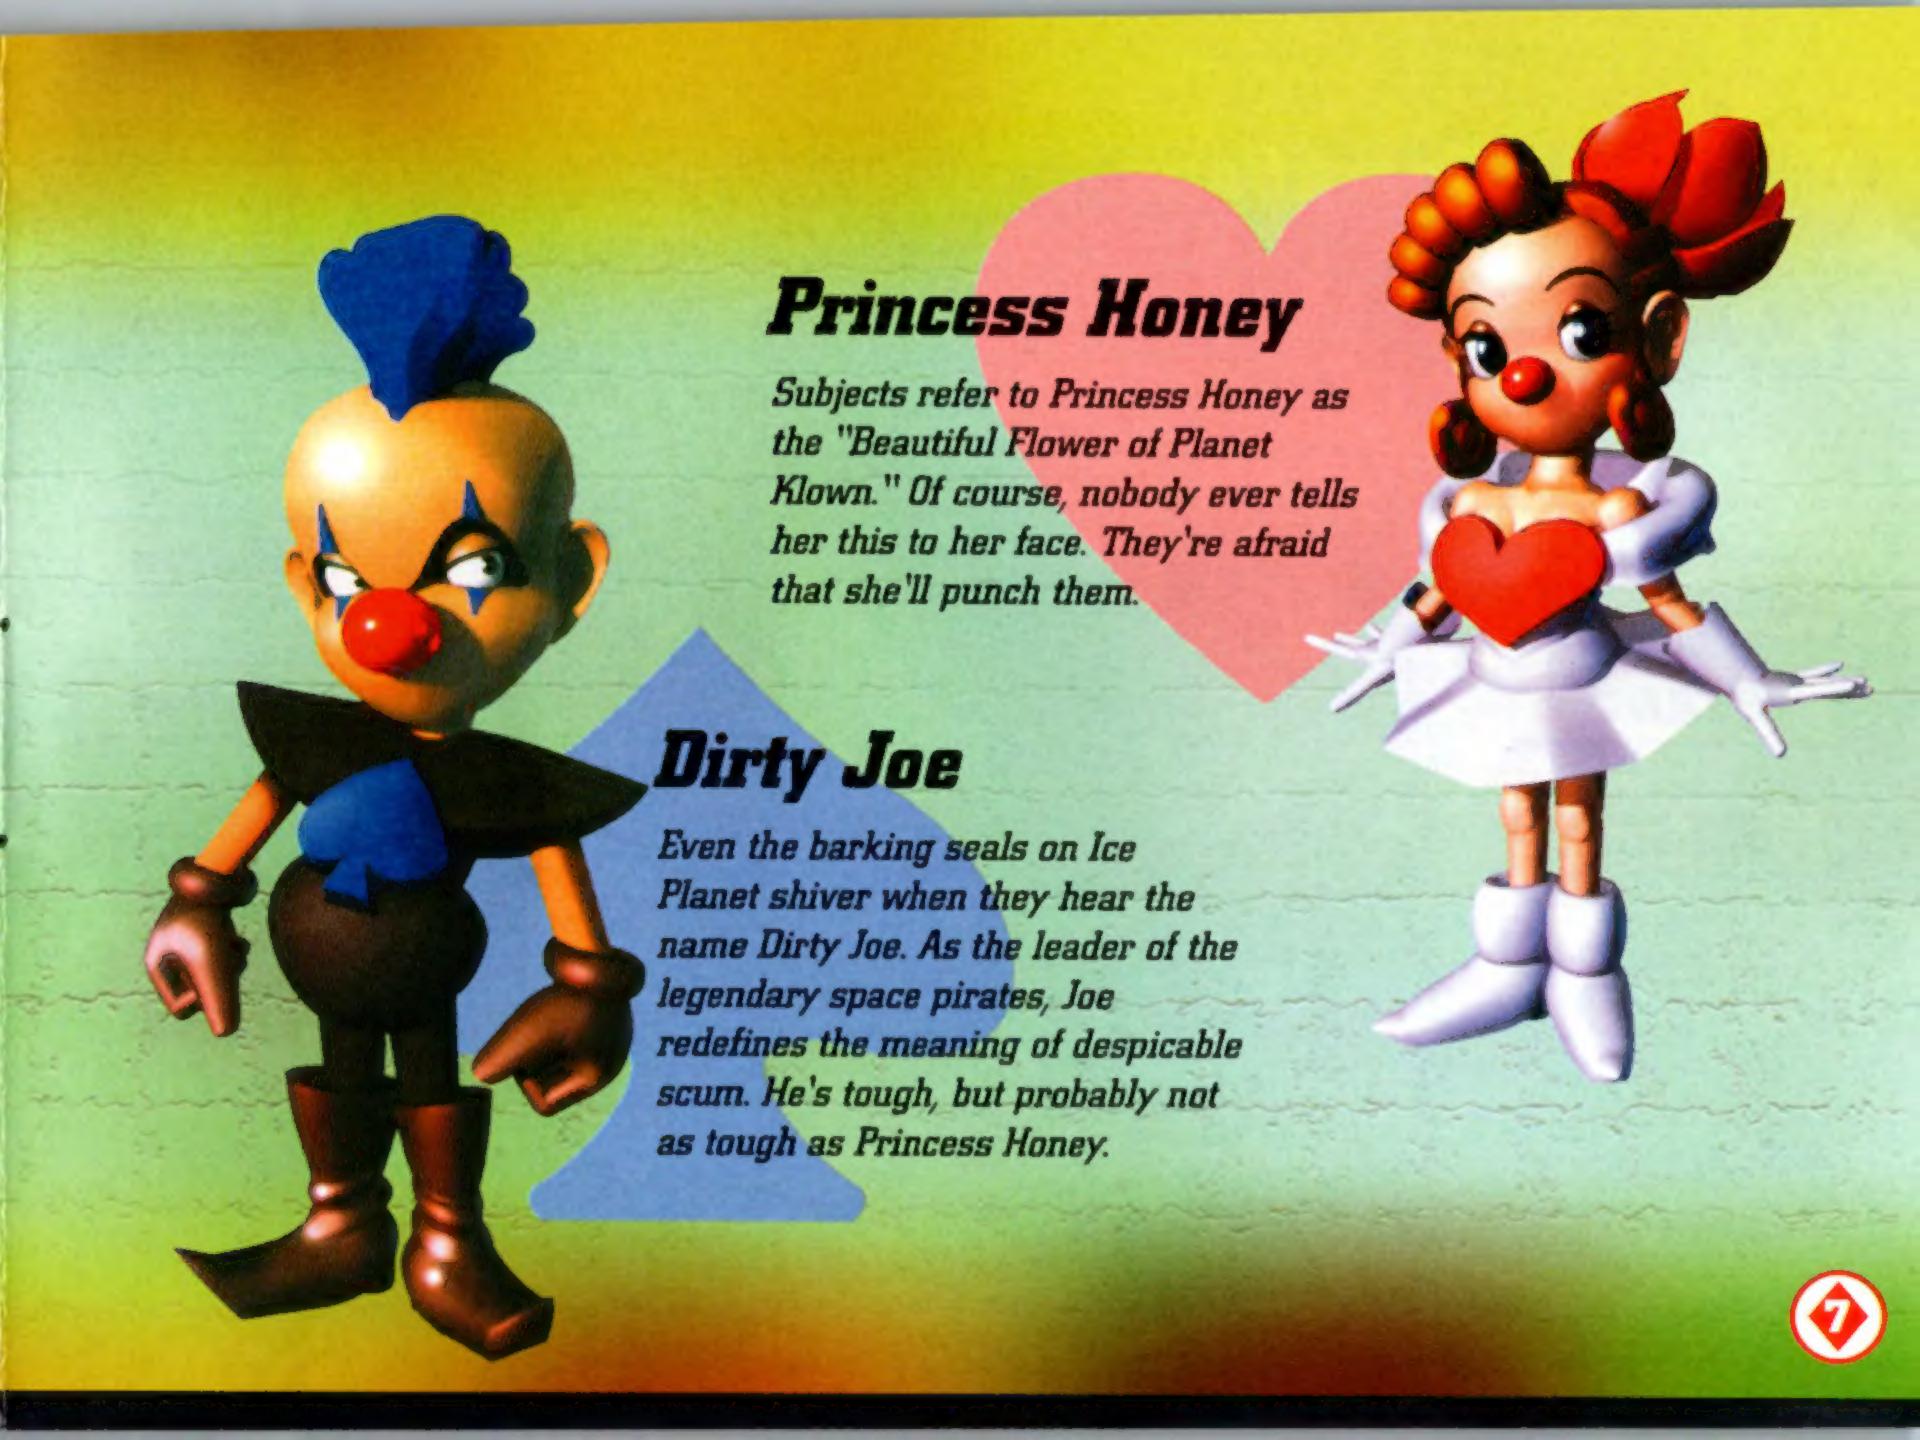

Kid Klown

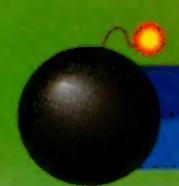

Kid Klown is the hero of our story.

Energetic in a bungling sort of way, Kid Klown believes in justice.

An innocent Klown from a tiny town, he arrived to work at the royal castle with big dreams and plenty of optimism. Of course, he's a little too shy to tell folks about those dreams ...

Collect the Four Cards.

Your first priority in every area is to reach the goal and avoid Joe's traps. Collect all four types of cards (club, heart, diamond and spade) along the way so you can escape in your rocket ship. At the end of a stage you'll receive a key used to reach Princess Honey. If you arrive at the goal without one or more of the four cards, you'll end up back at the beginning of the stage. You can't leave in your rocket until you have all four cards!

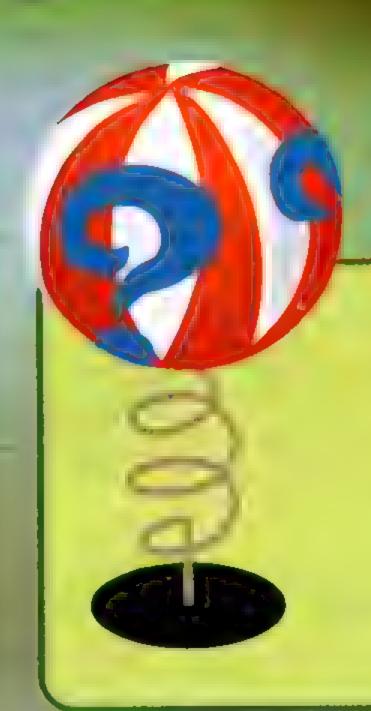

If you collect all four cards on your first try, you'll earn a Princess Honey heart. Collect all of the Princess Honey hearts and you'll be able to do something special near the end of the game!

Run from the rolling boulders! The volcano is about to erupt! Dodge the flowing lava and blazing fireballs.

It's a runaway ride down the mountain! You can jump, but you'll need to stay on the tracks to finish this trip.

It's almost impossible to stop anything that moves in this chilly world of smooth, slippery ice. Step carefully and watch out for sliding blocks!

Enjoy the red carpet treatment in the Castle! Too bad your host couldn't do anything to stop the flying spears and rolling balls!

Tricky Traps!

Big logs roll down paths in the Forest. Here's a place where the bark is definitely as bad as the bite!

Someone is hurling axes at you in the Forest! You're cut out for the job if you dodge the whirling blades in front and behind!

"Beginners luck, Kid! Perhaps you should join my band of pirates. Heh heh. What's that? Well, Mr. Goodie-Goodie, if that's the way it's going to be, my traps will stop you before you find Princess Honey!"

Tricky Traps!
